### *Characters*

*The Jolly Rogers family, pirates (parrots), Matilda, pirate cruncher, yiddler, Banana Bill, Bones, King Hairy Toes. Yes I liked the characters however, my favourite character was the yiddler.*

### *Plot*

*This story is about a girl (Matilda) who finds a treasure map. She goes in search of the treasure with her friend and his family on their boat. They come across a yiddler who helps them on their search.*

### *Your Opinion*

*Yes, I enjoyed the book, it was very adventurous. My favourite part of the book was when the yiddler sang songs. It was quite scary when grandpa got his wooden leg stolen. It was also very funny and weird when the monkey got bananas for everyone.*

### *Recommend?*

*I definitely recommend this because it was very adventurous and funny.*
