Dear Parents/ Carers,

**RE: POBBLE**  
**(WEBSITE TO SUPPORT ENGLISH CURRICULUM)**

At St Bede's Junior School we use a fabulous website called Pobble. This website publishes our pupils' writing online allowing you to read and engage with your child's writing. It also gives your child an audience for their work; providing them with purpose and motivation. The audience is made up of other children all around the world who have also signed up to Pobble. The website is only accessed by other children and is, at all times, monitored by teachers when used in school. It is a completely safe platform for the children to share their writing and receive and make comments.

To learn more about Pobble's approach to e-safety and how they are committed to keeping your child safe online, please read Pobble's guide to e-safety at the following link: <http://bit.ly/pobble-e-safety>. Alternatively, please come and speak to either myself or your child's teacher if you have any concerns or would like more information.

Yours sincerely,

*C Woods*
