PUPIL PREMIUM STRATEGY STATEMENT 2020 - 2021

1a. SUMMARY INFORMATION					
School	St. Bede's Catholic Junior School			Pupil Premium Champion(s)	Mrs. Geoghegan and Mrs. Tiernan
Academic Year	2020 - 2021	Total Pupil Premium Grant: Proposed: Actual:	£106,255	Date of most recent PP Review	JULY 2020
Number on roll	310	Number of eligible pupils Proposed: Actual:	80*	Date for next internal review of this strategy	DEC, 2020, MAR, 2021 and JUL, 2021
1b. NARROWING THE GAP IN SCHOOL					
<p>Attainment across the school is high compared to national and LA average, and pupils from disadvantaged backgrounds do well compared to their disadvantaged peers nationally and locally. The challenge is to reduce the gap in attainment (as disadvantaged pupils make excellent progress) between disadvantaged pupils and non-disadvantaged as higher attaining pupils are disproportionately non-disadvantaged on entry in to the school.</p> <p>When pupils join St. Bede's Catholic Junior School, they are assessed to baseline knowledge, understanding and skills. In Y3, the KS1 National Curriculum non-statutory test is used alongside teacher assessment using statements for the National Curriculum. This establishes a starting point in learning. Reading Ages and Comprehension Ages are assessed bi-annually.</p> <p>As there were no National Curriculum tests in 2020, and the DfE did not publish how they will measure progress for this cohort (the first to be assessed in KS1 without levels). 'When pupils join St. Bede's Catholic Junior School, they are assessed to baseline knowledge, understanding and skills. In Y3, the KS1 National Curriculum non-statutory test is used alongside teacher assessment using statements for the National Curriculum. <i>As there were no National Curriculum tests in 2020 we will use our baseline assessments as the starting point for learning in key stage 2.</i></p> <p>To measure progress over time, the staff use teacher assessment against Key Performance Indicators termly. Staff are able to measure if pupils are on target (or not) and has therefore made expected progress. Attendance is analysed half-termly and reported to parents/carers termly.</p> <p>Annually pupils complete a Pupil Voice questionnaire which establishes attitude to self and school. There are opportunities throughout the academic year for pupils to discuss learning, targets and school, plus any other relevant more personal issues.</p> <p>Qualitative data is taken from discussion and feedback. Pupils' SEMH can be measured through reportable incidents, engagement in school and pupil voice. Learner characteristics are recognised in school and staff strive to help pupils develop positive attitudes to self and school.</p> <p>* Y3: 22; Y4: 19; Y5: 17 and Y6: 22 pupils Each Y6 Pupil Premium pupil = 3.4% whereas non-Pupil Premium pupil = 1.4% when analysing data.</p>					

2. 2019 END OF KS2 ATTAINMENT				In School Gap
END OF KEY STAGE 2019*	All St. Bede's Pupils (75)	Pupils eligible for PPG (25)	National (All)	
% attaining at least the expected standard in reading, writing and maths	78.7%	64%	64.9	-14.7%
Progress in reading	1.34	0.65		-0.69
Progress in writing	0.66	-0.55		-1.21
Progress in maths	0.03	0.29		+0.26

*No test data for 2020 so 2019 included

There is a detailed report on the expenditure for 2019-2020 of the Pupil Premium Grant and the impact available in school.

3. ATTAINMENT (TEACHER ASSESSMENT) 2019 - 2020		Pupil Premium	Non- Pupil Premium
READING	% attaining Expected Standard	66.7%	90.0%
	% attaining Higher Standard	22.2%	61.7%
WRITING	% attaining Expected Standard	66.7%	88.3%
	% attaining Higher Standard	5.6%	26.7%
MATHEMATICS	% attaining Expected Standard	93.3%	72.2%
	% attaining Higher Standard	33.3%	40.0%

The assessment data at the end of the key stages for the National Curriculum tests is unavailable therefore this strategy is based on Teacher Assessment and 'mock' tests from 2018 & 2019.

4. DEVELOPMENT OF 2020 – 2021 STRATEGY

Before devising the Pupil Premium Strategy, the school considered some key questions:

- Is there clarity around the barriers to learning, desired outcomes and success criteria?
- Have the previous year's strategies been evaluated and could better/different strategies have been used?
- Which strategies work well (whether in school or based on research)?
- Which strategies did not have the desired impact, but if delivered differently or with further staff support, could be better this year?

As part of the review and development of the strategy, the following priorities/aims were highlighted:

- Ensure the quality of teaching and learning is consistently good and outstanding across the school: there is a relentless focus on improving teaching and learning throughout the school. Highly effective teaching disproportionately BENEFITS disadvantaged pupils; however teaching less than good in any instance has a disproportionate negative impact on these same pupils.
- Enable all pupils including disadvantaged and those with SEND, to show an effect size of at least 0.4 in reading and mathematics and exhibit the characteristics of an assessment-capable visible learner.
- To instil a culture where every member of staff collaborates and co-ordinates in the provision and desired outcomes of disadvantaged pupils.

These will be achieved through a variety of activities such as:

Half termly pupil progress meetings; robust and routine tracking; assessments focussed on disadvantaged children; reports and evidence trails carried out by all leaders in school; individual and personalised support and interventions.

The unquestionable expectation is that all of our Pupil Premium children will be highly successful in school and their achievements and academic success will be excellent.

When writing the Pupil Premium Strategy, we tried to ensure that our considered milestones were measurable, in an attempt to be able to successfully monitor and evaluate our actions and intended positive impact. Our systems, when monitoring, are found to be robust and consistent. Our evaluations have been supported by clearly identified success criteria and measurable outcomes.

Whole school strategy: Improving the quality and consistency of teaching & learning, across the school, supported by a strong CPD culture. E.g. Visible Learning. Developing and changing teaching practices, through extensive professional development, has been the most powerful classroom strategy for closing our gaps. In particular, developing John Hattie's 'Visible Learning' is built on an evidence base which demonstrates significantly raised outcomes.

Visible Learning involves all the children actively in the learning process. As a result, children's progress should accelerate (be above an effect size of 0.40) and the gap in attainment between Pupil Premium and non-Pupil Premium children should begin to diminish.

External barriers (related to ACE) are measured identified using **factual** knowledge reported to the school only.

1. Barriers to future attainment (for pupils eligible for PP)	2. Evidence of barriers
<u>In-school barriers (issues to be addressed in school): the school also uses ACE (Adverse Childhood Experiences) to identify barriers</u>

(Any significant issues in the family during Lockdown/Covid 19 pandemic are considered under A)</p>
F	Limited engagement in home learning prior to Covid-19 and during partial closure	<p>% attendance for Pupil Premium pupils in comparison to others.</p> <p>Parents/carers who do not work, have less of a requirement for children to attend school than working parents as there is readily available childcare; however, learning at home is less for some disadvantaged pupils.</p>
G	Limited cultural capital	<p>Pupils who do not engage in enrichment activities, limited experiences of place, knowledge and understanding of the world; linked to attendance and access to outside provider clubs/activities</p>

3. Outcomes		
Barrier	Desired outcome	Success criteria (including how we will evidence impact) BOLD Success Criteria to be reported to Governors termly
A B D F	<p>All pupils will achieve their full potential and make expected progress.</p> <p>Impact of Covid-19 pandemic on pupils as learners is minimised. Potential gaps in curriculum are closed. Any regression in learning is quickly identified and addressed.</p> <p>Pupil Premium pupils make accelerated progress from their starting points which is equal to or above ALL pupils.</p> <p>Pupil Premium pupils enhance basic skills in reading (decoding, vocabulary and comprehension) and arithmetic from Year 3 onwards</p> <p><i>N.B. *However, the cost effectiveness of one to two and one to three indicates that greater use of these approaches may be worthwhile.</i></p>	<p>Baseline self-assessment of pupils: achievements and well-being and subsequent assessments at the end of each term.</p> <p>Progress in end of KS2 tests and in Teacher Assessment in all year groups.</p> <p>School ethos and values promotes respect and value for the contribution of all pupils irrespective of attainment group.</p> <p>Teachers matched work more closely to pupils' needs, highly focused and appropriately paced.</p> <p>Visible Learning is evident in lessons* (see action plan for Visible Learning)</p> <p>More sustained engagement in the smaller groups.</p> <p>Lower attaining pupils in smallest group (15 - 20 pupils) received more intensive feedback, (especially on misconceptions) and support to reduce the attainment gap and accelerate progress.</p> <p>Small group tuition is most likely to be effective if it is targeted at pupils' specific needs.</p> <p>One to one tuition and small group tuition are both effective interventions.</p> <p>Quality and quantity of feedback, particularly verbal, enhanced during lessons</p> <p>Lower achieving pupils more willing to talk and articulate their thinking.</p> <p>Materials drawn from multiple sources and customised to meet pupils' needs.</p> <p>Attainment and progress: desired outcome achieved.</p>
A B C D E	<p>Family Support Worker to support the pastoral and learning needs of vulnerable pupils so the vulnerable pupils attain National Expected Standard for their respective ages in reading, writing and mathematics and/or make expected progress from their starting points.</p>	<p>Pupils feel valued as individuals and are encouraged in their learning, growth and social development in a healthy and safe environment.</p> <p>Accessible and sympathetic contact for all pupils, issues are addressed and are not barriers to learning. Soft data</p>

	Family Support Worker trained as a counsellor and can provide counselling for the most vulnerable pupils (troubled or crisis).	<p>Effective links with parents/carers. Strong links with community agencies, for example, School Health, CAHMS, Educational Psychology, Social Care facilitates an integral approach.</p> <p>Enterprise initiative in school to enable pupils to develop their aspirations and future career paths/interests.</p>
A B C D F	SENDCo to deliver targeted intervention to ensure Pupil Premium pupils, with SEND, make the same or more progress than non-Pupil Premium and non-SEND pupils.	<p>SENDCo deliver intervention lessons in English and maths and SEMH skills. Soft data and % of incidents on CPOMs</p> <p>SENDCo teaching in school nurture room: The Den delivering daily interventions to SEND and/or lower attaining</p> <p>Forest Schools skills to engage pupils lacking motivation and independent skills</p> <p>Teaching Assistants and SENDCo re-teach, practice and reinforce knowledge, understanding and skills.</p> <p>The gaps in knowledge, understanding and skills reduced.</p> <p>The pupil: adult ratio is reduced which increased attention for groups/individuals.</p> <p>Differentiation of work has improved through the use of the SENDCo, so need is targeted more effectively.</p> <p>Targeted pupils demonstrate a high level of engagement.</p> <p>Test scores (NC and Standardised tests) and Teacher Assessment indicate that children make significant progress.</p>
B C E	One to one tuition: improve attainment by 10% or more in standardised scores.	<p>49 (61.3%) Pupil Premium pupils have been FSM since Reception. These pupils receive additional sessions in learning from Teachers, TAs and FSW and make good or better progress from KS1 and baseline.</p> <p>4 Pupil Premium pupils are Pupil Premium Plus and benefit from a PEP.</p> <p>Staff target specific aspects of the subject that pupils have found particularly difficult and/or misunderstandings.</p> <p>Additional tuition increased pupils' confidence and motivation.</p>

		<p>Pace of learning increased and progress accelerated. Improved study skills and learner characteristics. Pupils make accelerated progress from their starting points.</p>
<p>A B E F G</p>	<p>Pupil Premium pupils have enriched experiences in school; attend extra-curricular clubs and other enriching activities.</p>	<p>The school has adopted a ‘graduated approach’ to Pupil Premium as the pupils who have ALWAYS been FSM pupils are perceived to have more disadvantage than those who have been FSM for a year or less (61.3% of PP pupils have always been FSM).</p> <p>Access to high quality out-of-school learning experiences, including the Summer Activity Programme</p> <p>Recognition of involvement in out-of-hours learning.</p> <p>Rewarded participation, encouraged engagement and raised aspirations.</p> <p>Children’s participation has increased and they are more motivated and committed to attend.</p> <p>Nurtured confident, resilient learners who enjoyed pursuing own path and had a genuine love of learning.</p> <p>Celebrated learning and achievement.</p> <p>Value placed on children’s interests, aspirations and health and fitness.</p> <p>Provided opportunities for children from disadvantaged backgrounds to participate, enjoy and benefit from opportunities which may not be able to be afforded by parents/carers.</p> <p>Assisted in making learning a reality beyond academic studies.</p>

IN SUMMARY:

All pupils will achieve their full potential and make expected progress.

Impact of Covid-19 pandemic on pupils as learners is minimised. Potential gaps in curriculum are closed. Any regression in learning is quickly identified and addressed.

Pupil Premium pupils make accelerated progress from their starting points which is equal to or above ALL pupils.

Pupil Premium pupils enhance basic skills in reading (decoding, vocabulary and comprehension) and arithmetic from Year 3 onwards

*N.B. *However, the cost effectiveness of one to two and one to three indicates that greater use of these approaches may be worthwhile.*
