Dear Parents / Carers,

RE: EXTRA-CURRICULAR CLUBS AUTUMN TERM

Following feedback from parents/carers, the school staff and I have decided to offer and allocate extra-curricular clubs in a different way to enable transparency and equality of opportunity.

In the table below is the list of extra-curricular clubs available to your son/daughter in the Autumn Term. Your son/daughter is being given a chance to express an interest in attending any of the clubs on the list. These requests will then be processed to ensure that places are fairly allocated. If your son/daughter is successful, they are expected to attend the club for the full term; however, if they have not successfully obtained a place due to high demand, they will be placed on a waiting list.

YEAR 3

Requests must be received by Thursday 12th September (9.00 a.m.) to enable the staff to allocate clubs ready for Monday 16th September when ALL extra-curricular clubs.

You will receive a further letter confirming if your son/daughter has gained a place at a club with a reminder of the date and time, along with any additional information such as pick up locations.

Thank you for your support.

Yours sincerely,
