

Lord Jesus,

Thank you for the day we have spent together and
for all the important experiences we have shared.

Thank you for all the people who have worked to help
improve our **learning** and make us **happy**.

Thank you for all the **special people**,

particularly our **friends**,

who have **helped** us to celebrate **our mission**
as members of St. Bede's Junior School.

If we have let you down in any way we are truly
sorry and we promise to **start afresh** tomorrow.

Amen... **St. Bede pray for us**
